

Ultimate Innovation Wish List 2017

by Kelsey Harmon

Having a hard time with your last-minute holiday shopping this year? Fear not! We've compiled a list of some of the best new product and service innovations from 2017 to help you out.

At Kalypso, we live and breathe innovation every day. Throughout the year, we highlight inspirational and breakthrough innovations from companies across the globe. We've picked out a few of our favorite [InnoSalutes](#) and [Innovation Shout Outs](#) from 2017 to help you find the perfect holiday gift for those you love.

Ember: For the coffee addict

Help the coffee addict in your life keep their daily brew warm until they've enjoyed the last drop. Ember looks and feels like a classic ceramic mug; but, partnered with a bluetooth enabled smartphone app, it will keep hot beverages at the perfect temperature for up to eight hours. No more sipping on cold coffee!

Lego Boost Creative Toolbox:

For the aspiring techie

This programmable coding kit will allow builders to control their creations with an Android or iOS app using a simple drag-and-drop programming system.

Osprey Packs: For the

adventurer

With an AirSpeed™ Suspension backpack, the adventurer in your life can go the extra mile thanks to Osprey's ANTI-GRAVITY™ technology that makes loads feel lighter.

Nintendo Switch: For the gamer on the go

Traditionally setting the industry standards, Nintendo continued their legacy of experimentation this year with the Nintendo Switch. With the Switch, the gamer in your life can transition from the couch, to the

train, to the park without skipping a beat.

Rothy's: For the fashionista

Style, comfort and sustainability all in one, Rothy's are flats made out of recycled water bottles that will keep your favorite fashionista looking on point.
